

Bike Loaner Sponsorship

The TEAM Punta Gorda free loaner bicycle program has served Punta Gorda since 2010, making free bikes available at various locations in the area.

Over six thousand riders from virtually all U.S. states and many foreign countries use the bikes each year.

Bicycles are sponsored by companies and/or individuals. Sponsors are recognized by TEAM Punta Gorda in a variety of ways including with a placard displayed on the bike basket.

Other recognition includes media coverage as well as mention made at various public TEAM events.

The current cost to sponsor a bike which includes the bicycle, helmet, lock, cable, bell and related equipment is \$450.
